

Have you joined?
Erma Siegel Elementary is excited to present our
Parent Teacher Organization

This 2018-2019 school year we are excited to welcome everyone to join this group of parents and teachers who are passionate about making Erma Siegel the very best place for our students and a shining light in our community.

Our common goal is to make our children's educational experience an excellent one! The most outstanding feature of Siegel Elementary has always been the people. We are a school made up of individuals and families who truly care and who readily invest in the greatest hope for our future..... our children!

The PTO is designed to involve YOU! We would love to have your suggestions, your help, your enthusiasm, your experience, and your guidance as a part of this team. Let's come together and make amazing things happen!

2018-2019 PTO Membership
